From: Mary Ellen Shay

Subject: Washington DC Briefing Meeting Schedule

Date: March 2, 2005

Individual Congressional Meetings Planned

As a service to the entire California Housing Authorities community, the CHAA has hired Marion Morris, our Washington DC consultant, to arrange meetings between CHAA members and key Congressional committee members and staff once again this year. This will be the 10th Annual CHAA-sponsored California program!

If you are interested in participating in any of these meetings, please let me know your current schedule by Friday, March 4. It is vital that we receive your info by then so we can do a good job in matching meeting times with your schedules and areas of expertise. Preference in meeting assignments will go to CHAA members, but we will also try to accommodate any of you who respond to this notice.

Up to 12 meetings will be scheduled on Monday and Tuesday, most of which can only accommodate three or four people. There will be a larger meeting with Senator Feinstein's staff as well.

General Sessions Scheduled

Marion, Douglas Tapking (CHAA President), and I will also be conducting a Pre-Game Warmup, where briefing materials will be distributed, and Feedback Session to determine next steps. **Everyone is invited to attend these sessions, even if you can't participate in individual meetings. Please mark these dates and locations on your Calendar NOW.**
